

Sackville School AQA GCSE Sociology - student PLC

Y10 Term 1: What is sociology and what is the sociological approach?

These are the learning questions you will be studying in the first few weeks of the GCSE course. When you are asked to reflect on your learning, tick one of the boxes for each topic studied and write down any questions in your book.

Learning questions	I am confident with this	I am OK with this	I struggled with this
1. What are the social sciences and what is sociology?			
2. What are culture, norms and values?			
3. What is the 'nature v. nurture debate' and what do sociologists think about it?			
4. What do we mean by a perspective in sociology?			
5. How do Functionalists explain society?			
6. How do Marxists explain society?			
7. How do Feminists explain society?			
8. How do Interactionists explain society?			
9. What is the New Right perspective?			
10. End of topic assessment:			
Mark & grade:	WWW?	EBI?	SMART target:
