25th June 2021

Dear Parent/Carer

A Level Maths & Preparation Day 2021

In the maths department we are looking at bridging the gap between GCSE and A Level and consequently we are offering an A level maths and preparation day at the beginning of July. The focus of the day will be on algebra, which underpins this course. A detailed programme of the A level course will be given to the students on that day.

We will be doing a full day of teaching from 9.50am to 2.30pm on Thursday 1st July 2021.

All students attending face-to-face induction lessons MUST have completed and registered a negative lateral flow test (unless exempt) less than 24 hours before the session. You will be asked for evidence of this on arrival. Spare test kits are available for collection anytime from school reception. All students need to bring a packed lunch and drinks as the canteen will not be available to them.

Please email me at srahim@sackvilleschool.org.uk, providing the following information:

- Name of student
- Form group
- Parent/Carer name
- Confirmation that your child will /will not be attending the A level maths preparation day on Thursday 1st July 2021
- Name of your child's current maths teacher

no later than Friday 25th June 2021

Yours sincerely

Mr S Rahim
Curriculum Leader of Mathematics
