September 2020

Dear Parent/Carer

### **A Level Maths – Textbooks and Calculator**

As you are aware your child has opted to take a two year A level maths course. As a result they are required to purchase resources for the course.

There are four textbooks that are required. In the first year the textbooks are 'Year 1 Pure Mathematics' and 'Year 1 Statistics and Mechanics'. In the second year the textbooks books are 'Year 2 Pure Mathematics' and 'Year 2 Statistics and Mechanics'.

Due to the Covid-19 lockdown, we did not issue this letter prior to the start of the course and the students have already received their books. We do however respectfully request prompt payment for them – by Monday 21<sup>st</sup> September at the latest.

The total cost of purchasing the first two books is £24.50 and payment should be made via the online payment system.

The year 2 books can be purchased after Easter and a letter will follow with details on how to purchase them.

There is also a requirement for students to purchase a calculator that has been recommended by the exam board Edexcel. There are two calculators recommended by Edexcel but the calculator we recommend is the Casio Fx-991EX Classwiz - an advanced scientific calculator to meet the demands of the A level course at a cost of £20.00. Again payment should be made via the online payment system.

If you are entitled to a bursary, please contact us directly and we will reimburse you the full cost of these resources.

Yours sincerely

Mr S Rahim  
**Curriculum Leader of Maths**
