Dear Families

A Level Physics Textbooks

As you are aware your child has recently begun the A level physics course.

Your child will be lent a copy of the 'Advanced Physics for You' textbook, which is a good general A level physics textbook and also the course specific textbook, which is published by Oxford University Press. These textbooks have a combined value of £85.00 and as a school we cannot afford to replace any lost/damaged books at the end of the two years. Because of this, we will need to ask you for a refundable deposit of £20.00. When the books are returned at the end of year 13 in a useable state the £20.00 will be refunded.

If your child does not wish to be loaned a copy of these textbooks some copies will be available in the physics department for use during study periods. However, unfortunately these will be unavailable for use at home.

Payment for the deposit can be made via the My Child at School app. If you were in receipt of Pupil Premium in year 11 please contact Mrs Plumb in the sixth form office regarding the 16-19 Bursary.

If you have any questions, please email pwilcox@sackvilleschool.org.uk

Yours sincerely

Mr P Wilcox
Leader of Physics
