November 2015

Dear Parent/Carer

A2 PE Student Revision Conference - Wednesday 16th March 2016

Kent College, Pembury are hosting an A2 student revision conference with leading PE consultant and author, Mr Murray, on Wednesday 16th March 2016. Mr Murray has been the chief examiner for A level PE for over 15 years for several exam boards where he has written many of the papers.

We will need to leave school at 8.15am to get to Kent College for 9.30am registration and lectures will start promptly at 10.00am. Mr Murray will cover various topics from the specification giving revision hints and exam techniques. The day will include lunch and breaks, finishing at 3.30pm.

Benefits of attending:

- gain first hand advice and guidance from the leading subject expert
- enhance understanding of key themes and topics, all directly linked to the AQA A2 specification
- learn what examiners are looking for to improve examination grades throughout the day as the sessions will highlight key material and techniques for 2016 examination success
- have the opportunity to ask questions – and get answers – directly from Mr Murray

You are invited to make a voluntary contribution of £25.00 which will cover the cost of the visit including transport, lunch and other incidental costs. I must, however, tell you that as the school could not bear the cost of the visit, the visit will not take place unless all parents, who are able, are willing to contribute. Insurance for all school trips is arranged through West Sussex County Council. Full details of the policy can be found on our website at http://www.sackville.w-sussex.sch.uk/?page_id=26728. You may pay via the online payment system. Alternatively a cheque for £25.00 may be sent in.

There are limited places available so please complete the reply slip attached and return with payment as soon as possible to secure a place.

Yours sincerely

Mr A Currie
Curriculum Leader of Boys' PE

Mrs L Richards
Curriculum Leader of Girls' PE

To: Mr Currie/Mrs Richards - PE department

Name of student Form
