Dear Parent/Carer

A2 Physics Revision Guide

We are currently in the process of buying A2 level physics revision guides for the students. These revision guides are a great help to the students throughout the year and especially in the run up to tests and examinations.

You may wish to either purchase a copy of the A2 physics revision guide or borrow a copy from the physics department for the year. If you wish to purchase a copy for your child they will be free to write in it and use it in any way they wish to help them revise. If you would prefer to borrow a copy we will need it returned undamaged before the end of the school year.

If you would like to purchase a revision guide please forward £5 to Sackville School via the online payment system. Alternatively a cheque made payable to Sackville School may be sent in.

Please complete and return the slip below, with payment if you wish to purchase the revision guide.

Yours sincerely

Mr P Wilcox
Leader of Physics
