November 2019

Dear Parent/Carer

AQA GCSE Science Revision Guides

Your son or daughter is now part way through their AQA science GCSE. At this point in the course we would like to offer the opportunity of purchasing revision guides and exam practice workbooks. These books are helpful for students when studying independently to complete homework, preparing for in class assessments, and catching up any topic areas missed due to absence. We have reviewed the guides on offer and would like to make the following recommendation:

Triple set (students most likely to sit triple science exams):

CGP AQA GCSE revision guide, exam practice workbook and answer booklet (three separate books for each subject: revision notes, practice questions and answers) (£17.50 for all three books for all three subjects)

Sets 1a and 1b (students most likely to sit combined science exams at a higher level):

CGP AQA Combined Science revision guide which comes with online access, exam practice workbook and answer booklet (£11.50 for all three)

Sets 2, 3a and 3b (students most likely to sit combined science exams at a foundation level):

CGP AQA Combined Science revision guide which comes with online access, 10 minute test booklet with answers (£9.00 for both)

Please remember that if your son/daughter is eligible for the Pupil Premium Government grant we can use that to pay for the full cost of the revision guide. If, however, you would like to make a contribution towards the revision guide there is also facility to make payment.

We are happy to order these on your behalf and pass them on when they arrive. As a school we do receive a substantial discount from the recommended price. Payment for the guides can be made either online or by returning a cheque, with your child's name and science revision on the back, to the finance office by Friday 20th December. We hope to then issue students with their books straight after the Christmas holidays.

I hope this information is helpful, but if you have any further queries please do not hesitate to contact your child's class teacher, or email me at jstromfield@sackvilleschool.org.uk.

Yours sincerely

Mrs J Stromfield
Curriculum leader of Science
