Dear Parent/Carer

Cancellation of the School Trip to Krakow 11th - 14th February 2021

I write to thank you for your patience and understanding in relation to the cancellation of the planned beliefs & values trip to Krakow, due to the current restriction of international travel. I can confirm that the trip was officially cancelled by the travel company just before half term when the departure window was reached.

Sadly, as the situation relating to international travel in the coming months is likely to remain uncertain for some time, the school has taken the decision to cancel the trip, rather than to postpone it. This was a difficult decision to make but to avoid more disruption and upset to students I feel this is the most appropriate course of action, and hopefully we will be able to organise a trip when restrictions ease and life reverts back to 'normal'.

The school is currently in negotiations with the travel company in relation to refunds of payments made in lieu of the trip. As soon as we have confirmation about when the money will be refunded we will be in contact. However, it is likely that this could be a few weeks and therefore a refund may not be received until sometime after the Easter break.

Please do let me know if I can be of any help or if you have any questions regarding this you can contact me at adoran@sackvilleschool.org.uk.

Yours sincerely

Mrs A Doran
Teacher of Beliefs & Values
