Dear Families

Thank you to those of you who could attend last night. As promised I have enclosed the presentation from last evening.

Please could you pass on the following message to your children as I need to change the time tomorrow when I am meeting them to organise the hotel rooming.

Students, please get your lunch first and then come straight up to meet me in the top gym. It would really help if you could be in a friendship group of the following numbers 2's, 3's, 4's and 6's.

Yours sincerely

Mr A Millican
