Dear families

Curriculum Enhancement Week - Learn to Ski - Reminder to bring Gloves

I am writing to remind you that **warm gloves are mandatory** whilst on the learn to ski experience and students **will not be allowed to ski without them**.

A copy of my original letter is also attached for your reference should you need it.

If you have any questions or problems supplying gloves, please contact me at mjohnson@sackvilleschool.org.uk as soon as possible.

Yours sincerely
