

6 July 2023

Dear Families

Curriculum Enhancement Week - Photography

As part of the photography sessions for this year's curriculum enhancement week we have a multitude of exciting opportunities for those interested in all things photography. To kick-start the three days, we would like to give students the opportunity to go for a walk around the local area to take photographs to use throughout the sessions. The plan would be to walk with students into East Grinstead town via Sackville College, St Swithun's Church and then onto East Court and back to school. Students will be looking at "urban landscape" and will be asked to focus on the lines, shapes, tones and textures they see around them.

Students should meet each day at 8.25am in room F02.

As we do not have cameras for everyone, we would expect for students to bring in their phones to use as cameras for the day. On return to school students will then upload their photos to Google Drive, ready to edit and print for the upcoming sessions.

The students will be accompanied by three members of staff and two sixth formers, and are expected to stick with the group for the duration of the walk.

We hope this will be an exciting and productive experience for all those involved resulting in a small photography exhibition at school.

We would be grateful if you could complete the short consent form [HERE](#) by **Thursday 13 July 2023**.

Students can wear their own clothes from Monday 17 July to Wednesday 19 July, however, please note that students are expected to wear normal school uniform on Thursday 20 July and Friday 21 July 2023.

Insurance for all school trips is arranged through West Sussex County Council. Full details of the policy can be found on our [website](#). **Peanuts or peanut related products are not allowed to be taken on any school visit.**

Yours sincerely

Ms S Stirling
Curriculum Team Leader for Art and Activity Leader
