November 2013

Dear Parent/Carer

Your child has expressed an interest in joining Drama Club this year which will take place after school on Thursdays from 3pm-4pm starting on 14th November 2013. The club will involve taking part in a performance at the end of the school year to raise money for charity.

There are only 30 available spaces so only students who can commit to the sessions should sign up. Attendance is important as all sessions will be rehearsing for a performance and absences will have an effect on the success of this.

Please sign and return the slip below to confirm that you have read this letter and agree that your child is able to attend Drama Club on Thursdays after school.

Yours sincerely

Mr L Brasted
Drama Teacher
