

Extra-Curricular Enrichment

Cultural Capital Vision For Extra-Curricular Enrichment

Sackville School's vision is that:

Every student, every year, has the opportunity to be involved in at least one new experience outside of the classroom. These opportunities range from lunchtime and after school clubs, subject-specific trips, residential trips and enrichment opportunities. All of these aim to support students in linking their learning to the wider world, encourage them to be investigative and independent learners, acquire the soft skills needed in life after school and develop a love and respect for the different cultures and world they live in.

Trips and residential visits not only contribute to curriculum learning, but also allow students with an aim to build relationships and experiences that young people in the year group may not have had previously.

We also work alongside providers of qualifications such as Duke of Edinburgh, CREST and Mock trials, to provide students with nationally recognised qualifications.

This means that:

Staff will provide extra-curricular opportunities for students in a variety of different ways that complement their main teaching subject or interest.

Subject areas will provide a range of extra-curricular opportunities a year to each year group in their subject. This may include an educational visit, a speaker coming into school, a collapsed timetable day or weekly/fortnightly club, in addition to our curriculum enhancement week in the summer term.

Tutors will monitor the participation of tutees in extracurricular opportunities, with a goal that all students will participate in at least one club each term.

Heads of Year, Curriculum Leaders, along with the Enrichment lead will be responsible for ensuring that there are opportunities for the students to fulfil the pledge (see below).

Before I leave Sackville School, I will have had the opportunity to have:

- Participated in a school club
- Visited a location linked to a subject.
- Seen a live theatre performance either in school or in a professional theatre
- Been camping, on an outdoor adventure or a residential trip
- Learnt a new skill
- Taken part in a charity or community event
- Visited a college or university
- Listened to a talk by an inspirational external speaker
- Received training in a skill that will help me in life outside of school
- Experienced careers either in school or as a visit to job locations
- Participated in a student voice activity to improve our school
- Developed leadership skills

Below sets out the different extra-curricular activities that will be running from Tuesday 20 September, for this term only. We will publish the Spring term at the start of December for activities that will run from January to April. We ask that the student speaks to the teacher in advance to ensure they have a place. In the event of a staff absence, we will try and inform our students if a club has been cancelled. Activities are in order of day per year group.

Autumn Term 2022 - September to December

Year 7

Subject	Activity	Teacher	Day and Time	Venue
Art	KS3 Art Club	Art staff Mrs N Crawford	Most Mondays 2:50 - 3:50pm Wednesdays 2:50-4:30pm	F01 or F02 F01
