HEADTEACHER'S MESSAGE

Dear Families

It has been another busy and exciting week at school!

We hosted three successful Year 6 Transition Days, giving future students a warm welcome to our community. A small selection of our talented performers took part in the St Swithun's Music Festival, while a group of 24 STEM students who have been working hard on a project all year are currently representing us at the regional challenge held at the South of England Showground.

Thanks to the hard work and dedication of Mr Jones we have had our very first Sackville Tennis Tournaments this week—an event that many of our students thoroughly enjoyed, no doubt inspired by the fantastic performances at Wimbledon.

This week also included a number of enriching trips: the Year 10 Art Trip, a Year 12 Biology excursion, and a Design and Technology visit to the Design Museum.

As we approach the end of term, we are also turning our attention to the year ahead. We were delighted to welcome back our Year 11 students and their families for our Year 12 Transition Information Evening. We are looking forward to them starting this exciting phase of their education, challenging them with their learning and seeing them grow into young adults over the next two years.

It looks as though we are forecasting some more lovely weather next week, so please remind your child(ren) to bring their water bottles and to keep these topped up during break times and between lessons.

Have a lovely weekend

Jo Meloni

Hot Choc With The Head

I had the pleasure of meeting with students from the Angelou Community this week and hearing about their stories of resilience, community and ambition. Amy in Year 7 really stood out for me in particular and I am looking forward to reading the excellent piece of work she was nominated for on Newton's Laws.

Keep up the great work and positive attitudes.

Jo Meloni
Headteacher

Futures - Find It Out Thursday

This is a chance for students to explore different professions and learn from those that are in that industry and can give a first hand experience. Different industries are highlighted each week and students have the opportunity to attend one talk per half term. Students have to sign up for the talk they wish to attend using the google form distributed to students. Come along and start to investigate career paths open to you and discover the skills that you will be required to develop to join that industry.

If you are interested in any of these talks please use this [link](#) to sign up

If you would like to be part of our Find it out Thursday program please contact Helen Smith on hsmith@sackvilleschool.org.uk.

Medication, Illness and Vaccines

Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition please contact us. In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler) please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office, thank you in advance.

Vaccinations

Just a reminder of the following vaccination dates for this year as below:

Friday 11 July 2025 - HPV vaccination for Year 8

The consent will be online and details will be sent out 4-6 weeks prior to these dates. If you have any queries please contact the immunisation team on 01273 696011 ext 2043.

Lost Property

Please could you ensure that all items of school uniform, PE kits and pencil cases are labelled. This will make reuniting property a lot faster, easier and more successful.

We are trialling a new system to help get unlabelled lost property back to students, we have a google document that is updated regularly with any garments that find their way to the lost property, if you believe an item is something you are looking for, please contact

Mrs Hill (shill@sackvilleschool.org.uk).

Lost Property Itinerary [here](#) - as of Friday 04 July 2025.

We advise that if students ever lose any uniform or property then they should visit their community office after they have checked with Mrs Hill if their property has been handed in.

** Please can we ask that if you have any unwanted school uniform - can this be donated back to school for the second hand uniform shop, especially ties and girls blouses and Year 10 and Year 11 uniform - Also PE kits. Many thanks **

Girls Development
The Girls Development Centre is our Girls football programme and pathway at Crawley Town Community Foundation. Over recent times we have developed strong relationships with many women's first teams which we can aim to feed our graduating U16 players into.
The goal of the programme is to help improve technical ability and knowledge through high quality sessions that are delivered as additional training alongside any other training your child may already attend.
We want to give players opportunities to grow and progress with us through the age groups, from U7s to U16s with the chance to represent Crawley Town in friendly fixtures against other clubs and organisations.
We can also complete player referrals for talented individuals to the England Girls youth pathways once aged U13 or over.
