HEADTEACHER'S MESSAGE

Dear Families

I am going to start and end this week's message with the highlight of my week. As you will be aware, we are part of a Federation of Schools with Downlands, Imberhorne and Oathall. What this has meant up to now is a strong collaboration between Headteachers, Chairs of Governors, other senior leaders and subject teams. We run joint leadership training and coaching, and our teaching colleagues share good practice, collaborating across the year, including our annual joint INSET day.

What has not been so prevalent is engagement and collaboration at a student level. Whilst there has been the odd event over the years, it was an area we felt could be really strengthened. So we set out to change this, and on Monday I witnessed the most warming joint musical concert, with over 150 students and staff from across all four schools playing together. The quality was superb, it was hard to imagine this was the first time they had all come together as an ensemble. There was brass and strings, keyboards and percussion, we even had two harpists, all supported by an amazing group of singers. The students all spent the day together rehearsing before the final performance in the afternoon in front of an audience. It really was a lovely event to be part of and to see what starts out as an idea in a meeting, turn into something so special and inclusive.

Early this year, Downlands hosted a debating event between the four schools; we have an inclusive sports day next Friday, and end the year with a dance show, which will be held at Chequer Mead Tuesday 17 June.

These events have given many students an opportunity to showcase their talent, others will have been pushed out of their comfort zone but gained so much from the experience. Most importantly, these events are giving students a real sense of wider community, teamwork and ambition. We are so proud of all of the students who have put their name forward and are already planning more opportunities for next year.

MacBeth Outdoor Theatre Experience

This August The Riverside Players, an established not for profit company who have been presenting theatrical classics for almost seventy-five years, are bringing their must-see production of Macbeth from the Cotswolds to Sussex. Redesigned to embrace the architecture of Ardingly College's beautiful South Quadrangle, this will be an exciting piece of site-specific theatre.

Macbeth is a roller-coaster ride and a fantastically gripping thriller set in a world of high passions, unscrupulous ambition, promises made and broken. Decency and evil compete before us. The stakes are always high and the ground is always shifting. Macbeth starts as a man with a conscience but is consumed by the chain of events he has started, unable to escape as they hurtle to their inevitable and bloody conclusion. Add to this the famous Weird Sisters, a fight or two and the comical Porter, (plus a bar and the opportunity to bring your picnic) and you have an evening of great entertainment! Indoor alternative if wet.

Futures - Find It Out Thursday

This is a chance for students to explore different professions and learn from those that are in that industry and can give a first hand experience. Different industries are highlighted each week and students have the opportunity to attend one talk per half term. Students have to sign up for the talk they wish to attend using the google form distributed to students. Come along and start to investigate career paths open to you and discover the skills that you will be required to develop to join that industry.

These are the talks that are on offer so far next term:-

19 June 2025	Working in the UK vs Australia
26 June 2025	Police
03 July 2025	Mobile Mechanic/Breakdown recovery

There will be more added when dates have been confirmed.

If you are interested in any of these talks please use this [link](#) to sign up

If you would like to be part of our Find it out Thursday program please contact Helen Smith on hsmith@sackvilleschool.org.uk.

Medication, Illness and Vaccines

Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition please contact us. In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler) please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office, thank you in advance.

Vaccinations

Just a reminder of the following vaccination dates for this year as below:

Friday 11 July 2025 - HPV vaccination for Year 8

The consent will be online and details will be sent out 4-6 weeks prior to these dates. If you have any queries please contact the immunisation team on 01273 696011 ext 2043.

Lost Property

Please could you ensure that all items of school uniform, PE kits and pencil cases are labelled. This will make reuniting property a lot faster, easier and more successful.

We are trialling a new system to help get unlabelled lost property back to students, we have a google document that is updated regularly with any garments that find their way to the lost property, if you believe an item is something you are looking for, please contact

Mrs Hill (shill@sackvilleschool.org.uk).

Lost Property Itinerary [here](#) - as of Friday 06 June 2025.

We advise that if students ever lose any uniform or property then they should visit their community office after they have checked with Mrs Hill if their property has been handed in.

**** Please can we ask that if you have any unwanted school uniform - can this be donated back to school for the second hand uniform shop, especially ties and girls blouses and Year 10 and Year 11 uniform - Also PE kits. Many thanks ****

DRAGON | DRAGON-SHIELD

Are you a parent or carer of one or more children aged 9 to 17 who wants to help develop resources for parents/carers about online child sexual exploitation and abuse (OCSEA), particularly online grooming (OG)?

Would you like to advise us on adapting our ground-breaking, research-based DRAGON-Shield training for child-safeguarding practitioners into resources to help parents/carers to build their knowledge about OG communication to better support their children?

How can you help?

Working with the **Breck Foundation**, we are looking to recruit parents/carers of one or more children aged 9-17 to consult on developing our **DRAGON-Shield training for a parent/carer audience**. You will be invited to:

- Attend a **virtual welcome meeting** with the DRAGON and Breck Foundation teams (30 minutes) - Monday 19th May 2025
- Complete a **brief online survey** to help identify current knowledge and perceived needs (15 minutes) - May 2025
- Attend **2 virtual co-creation workshops**, led by the DRAGON team with support from the Breck Foundation (4 hours overall) - Monday 19th May and Monday 16th June 2025.

Based on your input, the **DRAGON** team will then develop **DRAGON-Shield for parents/carers**: an OG prevention and support-oriented resource for a parent/carer audience in a format aimed at widespread dissemination.

What's in it for me?

- Free, exclusive access** to ground-breaking research-based training about how communication works in OG.
- Access to advice and support** from the DRAGON team, as required.
- To be part of shaping plans** for adapting **DRAGON-Shield** for parents/carers across the world to enhance the protection and support that child victims of OG receive.
- A priority space** in a subsequent project to **pilot the DRAGON-Shield for parents/carers resource** (anticipated September - October 2025)

How do I get involved?

Sign up by **18.05.2025** and join us to realise our aim of safeguarding children from sexual abuse.

Tell me more about DRAGON-Shield for child-safeguarding practitioners

DRAGON (<https://www.swansea.ac.uk/project-dragon-a/>) is a not-for-profit, research programme based at Swansea University. Our mission is to apply our research to protect children from OCSEA through the development of practical tools. **DRAGON-Shield for child-safeguarding practitioners** is one of our core tools. It is the **only training suite in existence** that explores the ways groomers and children communicate with each other during OG conversations. You can learn more about **DRAGON-Shield** in a **brief demo video**. You can also read more about how **DRAGON-Shield for child safeguarding practitioners** was developed and the results of its piloting and independent evaluation **here**.
