Notice board

September Uniform

Just a heads up that on our return to school in September we will be returning to our regular uniform and our expectations will be that students wear school branded jumpers and ties. As previously shared we have reviewed our uniform for September and I would like to remind you of some of the changes we have put in place.

Firstly, we have added an optional navy tracksuit to our PE uniform in direct response to the request from students enabling them to stay warm when exercising outside over the winter months. This can be brought directly from Taylor Made Uniforms, our uniform supplier, or alternatively from other sport clothing providers. The tracksuit will replace the branded PE hoodie, which we will be phasing out.

Secondly, white socks will no longer be part of our uniform, avoiding any confusion relating to how these can be worn. From September, students should wear navy or black socks only.

Thank you for your continued support in ensuring that students arrive at school wearing the correct uniform and maintaining our high uniform expectations.

Have an enjoyable summer break.

Medication, Illness and Vaccines

Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition please contact us. In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler) please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office, thank you in advance.

Girls Development

The Girls Development Centre is our Girls football programme and pathway at Crawley Town Community Foundation. Over recent times we have developed strong relationships with many women's first teams which we can aim to feed our graduating U16 players into.

The goal of the programme is to help improve technical ability and knowledge through high quality sessions that are delivered as additional training alongside any other training your child may already attend.

We want to give players opportunities to grow and progress with us through the age groups, from U7s to U16s with the chance to represent Crawley Town in friendly fixtures against other clubs and organisations.

We can also complete player referrals for talented individuals to the England Girls youth pathways once aged U15 or over.
