## HEADTEACHER'S MESSAGE

Dear Families

### Year 11

This week we got the opportunity to celebrate with our Year 11 students who had a wonderful final assembly led by Mr Millican. The students behaved superbly and it was a pleasure to spend some time with them at their prom at Plumpton Racecourse in the evening.

### Year 13

Also this week, in fact on the very same evening, I was delighted to attend the Year 13 prom in Tunbridge Wells. It is such a lovely feeling for staff to see students ready to move to the next phase in their lives and to know that we played a big part in their journey. This was also Mrs Valentine's final prom as Head of Sixth Form, and a great opportunity for students to show their gratitude for all of her hard work.

### Sixth Form

Mrs Valentine will be staying with us next year as a teacher and playing a lead role within Health and Social Care. Mrs Porter who has played an integral role in the Sixth Form at Sackville for many years, both as a teacher and tutor will be taking over the reins in September and we are very much looking forward to what we know she will bring to the role.

We are really proud of the opportunities we have in our Sixth Form and as I write, a few of our lucky Sixth Form students are representing our school and East Grinstead at this year's Town Twinning event. I am looking forward to hearing all about their trip, which is being held in Italy this year, when they return to school on Monday.

### Whole School - Curriculum Enhancement Week (CEW)

Speaking of trips, things are hotting up ready for our Curriculum Enhancement Week (CEW) in the final week of term. We will have more students than ever out on trips and visits and are really looking forward to spending this time with students, out of their normal classrooms. Please look out for any communication regarding CEW, as final arrangements need to be made with some families and students.

Have a lovely weekend.

Jo Meloni  
Headteacher

# Hot Choc With The Assistant Head

It was an absolute pleasure doing my first hot choc with the head this week, with Attenborough community students.

The students were able to articulate their reasons for being chosen this week, including being nominated for many of our Sackville star awards, excellence across the curriculum, and also showing our values at events and on school trips.

It was exciting to hear what our students are excited about doing for our curriculum enhancement week. The students should be very proud of their achievements.

Thank you.

Mr Quigley  
**Assistant Headteacher**

# Medication, Illness and Vaccines

## Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition please contact us. In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler) please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

## Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office, thank you in advance.

## Vaccinations

Just a reminder of the following vaccination dates for this year as below:

**Friday 11 July 2025** - HPV vaccination for Year 8

The consent will be online and details will be sent out 4-6 weeks prior to these dates. If you have any queries please contact the immunisation team on 01273 696011 ext 2043.

## Lost Property

Please could you ensure that all items of school uniform, PE kits and pencil cases are labelled. This will make reuniting property a lot faster, easier and more successful.

We are trialling a new system to help get unlabelled lost property back to students, we have a google document that is updated regularly with any garments that find their way to the lost property, if you believe an item is something you are looking for, please contact

Mrs Hill ([shill@sackvilleschool.org.uk](mailto:shill@sackvilleschool.org.uk)).

**Lost Property Itinerary [here](#)**- as of Friday 27 June 2025.

We advise that if students ever lose any uniform or property then they should visit their community office after they have checked with Mrs Hill if their property has been handed in.

**\*\* Please can we ask that if you have any unwanted school uniform - can this be donated back to school for the second hand uniform shop, especially ties and girls blouses and Year 10 and Year 11 uniform - Also PE kits. Many thanks \*\***

The Girls Development Centre is our Girls football programme and pathway at Crawley Town Community Foundation. Over recent times we have developed strong relationships with many women's first teams which we can aim to feed our graduating U16 players into.

We want to give players opportunities to grow and progress with us through the age groups, from U7s to U16s with the chance to represent Crawley Town in friendly fixtures against other clubs and organisations.

We can also complete player referrals for talented individuals to the England Girls youth pathways once aged U13 or over.

**Calling all young people in West Sussex! What do you think about leisure activities in your free time?**

If you're aged 11-19 years, or up to 24 if you have a learning difficulty or disability, then we want to hear what you think about leisure-time activities outside of and after school or college. This might be what you do in your free time, such as clubs, sports, play or skate parks, youth groups, art groups, or other places you go to. Complete our short survey and help shape what future leisure-time activities should look like. There's a free prize draw for a £20 voucher too.
