Dear Parent/Carer

Hodder Education AQA French A level textbook

All students of A level French are required to purchase a copy of the textbook we are following this year.

We are not as a school able to bear the cost of providing these for every student, and we are therefore asking parents to contribute £25.20 to cover the cost of the books.

These books will be used over the two year A level course. It is advantageous for students to have their own copies so they can highlight and write notes in them. We also do not have any school copies of the books except those used by the teachers as we are following a new course this year.

We will order the books as soon as we have received payment from all students in the class, so would appreciate a quick response. Payment should be made online.

Please let me know if you have any queries about these resources or about your child's French studies in general.

Yours sincerely

Miss L Stewart
Curriculum Team Leader for MFL
