

21 March 2023

Dear Families

GCSE Revision Sessions

During the Easter holidays we will be running a number of revision sessions across all subjects for the upcoming GCSEs. The maths revision sessions will take place on Thursday 6 April 2023.

There will be three sessions made available to students (each running twice on the day) as follows:

Foundation Session - aimed at those students who will be sitting the Foundation Tier (Grade 5 and below), which will be taken by either myself or Mrs Ferguson.

Crossover Session - aimed at those students who will be sitting the Higher Tier (aiming to achieve Grade 5 & 6), which will be taken by either myself or Mrs Ferguson.

Higher Session - aimed at those students who will be sitting the Higher Tier (aiming to achieve Grade 7 and above), which will be taken by Mrs Weatherby.

Each session will be two hours long. The first will run between 9.00am and 11.00am and the second between 11.20am and 1.20pm. The content of both sessions will be exactly the same.

The classrooms in which these sessions will take place have yet to be determined, but those students who are to attend will be informed ahead of time.

We are able to offer between 15 and 20 places per session, possibly more if the demand is there.

Please can you discuss this with your child and complete the Google form [HERE](#) as soon as possible to avoid missing out.

Your child's teacher will speak to you directly during the year 11 consultation evening, taking place on Thursday, if they feel your child will benefit from this extra support.

If you have any questions please do not hesitate to contact me at thasler@sackvilleschool.org.uk.

Yours sincerely

Mr Tom Hasler
