October 2020

Dear Parent/Carer

GCSE Sociology Revision Guide

I have arranged for the GCSE sociology students to be able to buy a Collins revision guide, through the school, for the price of £4.30, which is considerably cheaper than the recommended retail price of £10.99. This revision guide covers the whole GCSE specification and includes plenty of exam-style questions to practice.

If you would like to purchase a copy of the revision guide for your child please could you make payment of £4.30, via the online payment system, by Friday 23rd October. We will be placing orders in batches to minimise delivery costs.

Please remember that if your child is eligible for the Pupil Premium Government grant we will use that to pay for the full cost of the revision guide.

If you would like any further advice on how to support your child's progress in GCSE sociology, please do not hesitate to get in touch.

Yours sincerely

Ms M Porter
Curriculum Team Leader for Sociology
