Email: [secretary@sackvilleschool.org.uk](mailto:secretary@sackvilleschool.org.uk)  
Headteacher: Ms Jo Meloni BA (Hons) NPQH

6 February 2024

Dear Families

**Higher Education (degree and apprenticeship) and Futures Fair: Wednesday 28 February 2024, 4.30pm - 6.30pm**

We are delighted to advertise this important KS4 and KS5 event. Our Higher Education Fair will aim to give students in years 10/11/12 specific information about university, futures and apprenticeship applications and opportunities. This is a key futures and careers event in our school year and can serve as a springboard for KS4 students planning and plotting possible routes into post-GCSE education and training.

The evening offers an unparalleled opportunity for families to gather information and speak face to face with universities and apprenticeship providers and obtain bespoke help and information.

**Booking your ticket**

This is a ticketed event so we can plan for seating and numbers. We are hoping that all year 10/11 students and families can make every effort to attend. Please book your ticket here: [BOOKING LINK](#)

The evening will run from **4.30pm - 6.30pm on Wednesday 28 February 2024** in the main hall and dining hall. There will be two short presentations at the beginning of the event, from the University of Exeter on 'Choosing a University and Course' and a leading apprenticeship provider, followed by plenty of time for families to visit our stalls and fact find. I, along with other members of the sixth form team and senior leadership team and our Futures Leader, Mrs Smith, will be there to help and advise as required.

Here is a selection of the stands and information we have on offer:

- Universities – we will have a cross section of universities and colleges represented from across the UK
- The university application process and student finance
- Applying for Oxbridge or a top university – the help we offer. Mrs Valentine will be able to provide information on this process
- Applying to an arts/media university and applying to a northern university.
- Degree apprenticeships – applying for a degree apprenticeship. We have a representative from ASK Apprenticeships.
- HNC/HND routes – Chichester and East Surrey Colleges will be represented

Please see the attached poster for our fantastic list of exhibitors at this event. In case of queries, please can I ask you to contact our Futures Leader, Mrs Smith - [hsmith@sackvilleschool.org.uk](mailto:hsmith@sackvilleschool.org.uk).

Yours sincerely

Mrs H Valentine  
Assistant Headteacher/Head of Sixth Form
