

18 March 2025

Dear Families

KS4 Options

Just a polite reminder that the completed options forms are due by the end of Friday 21 March. The main options need to be selected on MCAS. If you experience any problems using this, you can access this on a PC. If there are still issues, please email me directly at jcollett@sackvilleschool.org.uk.

Please also complete the Google Form below which collects your child's preference for science, as well as some feedback on the process.

[Options - Science and Feedback](#)

Please remember subject details can be reviewed at:

<https://ks4options.sackvilleschool.org.uk/>

Thanks for your ongoing support. We will be in contact in early May with the proposed options for each child. At this point, students will have a window of opportunity to make changes.

Yours sincerely

Mr J Collett
Assistant Head

Mr J Beaver
Holmes Community Leader / Year 9 Coordinator
