This is a reminder of our options evening taking place on Thursday 6 March. Please note the slight change in start and end times. The evening will now start at 5.00pm and end at 7.30pm.

The main short talk (10 minutes approximately) will start at:

- 5.00pm

Students and their families only need to attend one talk. Following the talk you will be free to wander around the subject stands which will be in the dining hall, bistro, Sackville Centre and the art rooms.

To manage the flow of parents and families, we have introduced a booking for each slot of the main talk. Please select which slot you will be attending by clicking on the link below:
