Dear Parent/Carer

### Revision Guides and Workbooks

As students have now made good progress through their GCSE courses the maths department would like to offer the chance to purchase a workbook and guide to aid with revision.

CGP offer both a revision guide and a workbook which the school are able to offer at reduced prices. The revision guide contains notes and examples of each topic and the workbook provides practice questions. These resources are available at both foundation tier (covering grades 1–5) and higher tier (covering grades 4–9). If your child is unsure which tier is the most appropriate for them then they should ask their maths teacher.

The cost of revision guide and workbook is £6.00 payment should be made via the online payment system.

Please remember that if your child is eligible for the Pupil Premium Government grant we will use that to pay for the full cost of the revision guide and workbook.

If, however, you would like to make a contribution towards the revision guide and workbook there is also a facility to make payment.

Yours sincerely

Mr S Rahim  
**Curriculum Leader of Maths**

Mrs K Howell  
**Leader of KS4 Mathematics**
