

14 October 2022

Dear Parent/Carer

We have seen a really positive start to the academic year and it has been great to see students so focussed in their classrooms and on their learning.

It has been great to meet so many of you at the various events over the past 10 months whilst I have got to know the school and its community. Sackville is a wonderful school, with so many strengths however, we are not at all complacent. We have been working on plans to ensure that we are continually developing, rising to new challenges as they emerge, largely brought about via the impact of sustained educational disruption over recent years and ensuring we are responsive to new and emerging educational research so that our students have access to the very best opportunities and achieve well.

In order to help us achieve that, it is important for us to regularly reflect on where we are and what we would like to do over the coming year. As we move towards the end of the first half term of the year, we would like to start that process with you.

As a school, we place our partnership with families at the heart of everything we do. We could not provide the education we do without the support of the family and the wider community. We would like to ensure that your thoughts are listened to and that you have an opportunity to shape the next steps for the school based on the experiences of you and your child(ren).

Therefore, we invite you to complete a questionnaire that will help us to identify areas of strength, as well as any areas where we can do even better. The questionnaire will be anonymous and will cover the following areas:

1. The communication you receive from us as a school. We work hard to provide information for families, however, we would appreciate your thoughts on this area
2. The overall experience you, and your child, have at Sackville

There is an opportunity for you to identify an area of strength you feel the school has, as well as one area you would specifically like to see development in.

The closing date for the questionnaire to be completed is Tuesday 1 November at 9.00am. We will be able to use the feedback for planning over the rest of the academic year.

As always, outside of this questionnaire we encourage parents/carers to get in touch with us. Please contact your child's form tutor, year team or any member of the Leadership Team if you have any questions. You can find contact details here.

We look forward to receiving your feedback and working with you to ensure Sackville is the best school it possibly can be. After all, 'together, we achieve'.

Kind regards

Ms Jo Meloni
Headteacher

Mr P Cowlin
Deputy Headteacher
