

Literacy

What are we doing when it comes to whole school literacy.....

- ❑ Prioritising reading more thorough regular whole-school events like Reading Week, our 2 annual book fairs and our continued use of the Accelerated Reader programme.
- ❑ Encouraging boys particularly to read more by organising author visits and events designed to appeal to reluctant readers and those with lower literacy levels.
- ❑ Fortnightly whole school literacy focus issue; weekly referral in staff briefing.
- ❑ Increasing staff use of dictionaries through the extensive weekly Literacy Bulletin collection of tailor-made cross curricular resources.
- ❑ simplified and re-iterated our Literacy Code marking guide for staff to ensure better consistency, as well as carrying out 'Literacy Walks' to check use across the school.
- ❑ developing staff strategies for nurturing oracy as an approach to improving literacy through provision of CPD sessions and resources, as well as staff now running various debating teams for competitions.
