Welcome to The Team...

“As Headteacher, I would like to welcome you to our wonderful community of learners at Sackville! You’ll find that the school is very friendly and you will be strongly encouraged and supported to do your best every day that you’re here.

Sackville has many young people and staff who I am responsible for looking after. I am lucky to be surrounded by so many great people who make sure that everything runs smoothly.

I am based just opposite the reception area at the entrance of the school and I’m really looking forward to meeting you. Good luck!”

My name is Mr Street and I am one of the Deputy Headteachers here at Sackville.

My responsibilities include the wellbeing of students. I’m keen that you start Sackville, feeling safe, confident and ready to learn.

I am really looking forward to meeting you on one of our transition days so I can tell you a little more about me but more importantly, find out a lot more about you. Take care and stay safe.”

How Will I Know Where Everything Is?

Here is the plan for Sackville School. We've not included all the rooms and different levels as it is quite complicated. Do not worry about it, once you're here, you'll quickly get to know where you are going.

Plan of Sackville School

School Buddies

At Sackville, we're very proud of our Buddy System. We carefully select some of the finest Year 8 students to look after you.

They have to apply to be a 'buddy', to show good values and leadership. They have all had experience of what it's like to be in where you are today.

You will meet them on the Induction Days in July and they will be with you in September too.
