June 2020

Dear Parents/Carer

**Revision Guide:
WJEC Level 1/2 Vocational Aware in Hospitality and Catering**

I am pleased to inform you that there is now a revision e-book for the WJEC Level 1/2 Hospitality and Catering course.

The e-book is helpful for both the written exam and the NEA work, which we have been preparing for since school closure and as current year 10 students will be taking the exam during year 11, I would highly encourage that all students taking this exam would benefit from this invaluable resource. (There may be the possibility of an early exam to give students the opportunity for two chances, as the exam was cancelled this year).

The 1 year access e-book should be sufficient, as the final exam is currently scheduled for 18th February 2021 and is priced at £4.00. As an e-book, we do not receive any group discounts and in the current situation I think it will be easiest for you to purchase the e-book directly at the following link:-

<https://www.hoddereducation.co.uk/subjects/catering/products/14-16/my-revision-notes-wjec-level-1-2-vocational-award>

Please remember that if your child is eligible for the Pupil Premium government grant we will use that to pay for the full cost of the revision guide.

If you have any questions please do not hesitate to email me directly at ssmeaton@sackvilleschool.org.uk.

Yours sincerely

Mrs S Smeaton
Food Technology Teacher
