

18 June 2025

Dear Families

STEM Trip to Ardingly Showground Friday 4 July 2025

Your child has been selected to take part in a national STEM competition. Students will travel by school minibus, departing from school promptly at 8.15am at the Sackville Centre on Friday 4 July 2025. The event ends at 3.00pm and students should arrive back to school at no later than 4.00pm. Students will need to bring with a packed lunch or money to use the café. **Please note that no nut related products are allowed to be taken on any school visit.** Students should wear their school uniform and if the weather is sunny, please can your child bring sun cream and a hat.

This promises to be an inspiring and memorable experience for our students, celebrating their hard work and creativity. If you have any questions or queries regarding this please do not hesitate to contact Mrs Law (hlaw@sackvilleschool.org.uk)

You are invited to make a voluntary contribution of £10.00 which will cover the cost of the whole-day workshop, including all the resources that the students will need on the day.

We never want cost to be a barrier preventing members of our Sackville Community from our culture of belonging or from being able to take part in trips and events. We will work closely with all families to ensure that every child has equitable access to opportunity, during their time at Sackville School.

We will provide full funding for our eligible Pupil Premium students, from the available grant for this opportunity. If you have any questions please get in contact with your community team

Please can you confirm your child's attendance by completing the google form [here](#). Insurance for all school trips is arranged through West Sussex County Council. Full details of the policy can be found on our [website](#).

We look forward to an amazing and fulfilling day out!

Yours sincerely

Mrs H Law
Teacher of Maths
