23 February 2023

Dear Families

UCAS Higher Education Exhibition, Brighton, Tuesday 14 March 2023 Transport by Coach to/from Sackville School

We are pleased to offer your child an opportunity to attend a national universities fair. This fair provides a follow on from the Higher Education fair we ran at Sackville in early February. Many universities will be attending with bespoke advisors offering advice on courses and entry grades.

## Who should attend

We are recommending everyone in year 12 who is considering a university degree or degree apprenticeship prepares for and attends this event. Most UK universities exhibit at this event. It is an excellent event to kickstart the university application process and gives students the chance to explore and meet university and college representatives face-to-face.

## Ticket allocation

We have a limited allocation of tickets for this great event. In order to qualify for a ticket, students not only need to have already expressed an interest in further study at university level, but also need to attend their form time and assembly next week where they will learn more about applying for a place. We are hoping to take all students who want to go. However, if we have to operate a first come, first served ticket allocation, it will be on the basis of assembly and form time attendance.

## Transport and cost

There is no charge for this event. The school have hired coaches to take students to and from the event. We will be leaving school at 8.15 am and returning by 1.00 pm .

Please note - students must travel to and from the venue on the school transport provided. Students are neither allowed to make their own way there, nor their own way back to East Grinstead.

Lessons on Tuesday 14 March 2023
Period 5 will take place as normal and full attendance is expected.
I do hope that if this is a relevant opportunity for your child, that they will make the most of this visit.
Yours sincerely

Mrs H Valentine
Head of Sixth Form
