

2nd February 2022

Dear Parent/Carer/Tech Volunteer

We Will Rock You

Firstly, I would like to say how thankful I am for your willingness to take part in We Will Rock You.

The event takes a lot of preparation and helping hands to prepare the technical elements of the show. For this, we will require the tech team to be in at various times throughout the weekend prior to the show week. This weekend will be **Saturday 12th and Sunday 13th February 2022.**

Students involved in the tech team will also be off-timetable **Monday 14th and Tuesday 15th February**, the two days prior to the 3 performances.

For the weekend, the tech volunteers need to arrive at Sackville School by the designated time written on this letter to help with setup of the stage and both sound and lighting systems. Suitable clothing should be worn and it is not necessary for the students to wear school uniform. I would also recommend a strong pair of shoes/boots is worn.

For the weekdays, I would suggest the same suitable clothing, but your child should be in school at no later than 8.25am.

Finally, some students who are part of the tech team will be required to help out on show nights (16th/17th/18th February) from 4.30pm – 10.00pm.

During this work, safety will be paramount. Students will be fully briefed and it is vital that they follow instructions and seek clarification where needed.

Thank you again for all your support with these big events. This is a great opportunity for students of all ages to get involved with performing and tech which really makes a difference in the school community.

Please complete and return the reply slip to me in the music department as soon as possible.

Yours sincerely

Mr M Hoelters
Music Technician

Return to: Mr M Hoelters – music department

Name of student Form

My child will/will not be attending the tech team weekend sessions from the 12th to the 18th February.
