Dear Families

## First Day Year 7

We hope you have had a restful summer break. It was a pleasure to see year 7 in school today, they arrived looking splendid in their new uniform and with such enthusiasm and appear to have had a really exciting and purposeful first day.

Today they have just shared the school with year 11 students but from tomorrow they will be joined by the rest of the school.

Just a reminder that students should enter the school via the main student entrance, just up from Reception. Staff and buddies will be available for the students here from 8.10am to continue to help guide them into school, and buddies will then be available to take them to and from lessons during the day.

This week year 7's will have a slightly earlier lunch so they can access the canteen before the older students. We will be using a cash system for the canteen for break and lunch until we have the MCAS online system up and running and we are in the process of sending these details out. Once parents and carers have set up an account, money can be uploaded onto their lunch account, as well as many other things.

Many of you have requested lockers via the data sheet, which was sent out in June, for those of you who have since asked about this you can request a locker and pay for this via the MCAS app once you have this up and running. Lockers will be issued as soon as we have all this in place, we will aim to do this as soon as possible.

Please bear with us, there are always teething problems at the early stages but our IT team will work hard to sort any issues out.

Any queries please do not hesitate to contact your Community team or the Transition Coordinator, Mrs Karen Brown at [kbrown@sackvilleschool.org.uk](mailto:kbrown@sackvilleschool.org.uk).

Yours sincerely

Mr J Endersby  
**Community Leader & Transition**
