Dear Parent/Carer

GCSE Textiles Technology

During the GCSE course students will be supplied with some basic commodities, eg threads, decorative samples etc, required for the practical work. We do not supply the fabric as this would restrict the student’s choice of colours and textures. However, this year we are also able to supply students with a revision guide to help with their theoretical knowledge. A contribution of £3.50 for materials and an optional £4.75 for the revision guide and work booklet is requested to help towards these costs. The revision guide and work booklet is strongly recommended as this will help with your child’s theory knowledge for the main examination.

If you would like to discuss any matters concerning coursework, please do not hesitate to contact me.

Yours sincerely

Mr K Treen
