June 2019

Dear Parent/Carer

Year 10 Curriculum Enhancement Week 2019 – final arrangements

As **Curriculum Enhancement Week** is fast approaching it is a good opportunity to give you the final details of the week.

As a reminder, the programme for year 10 in 2019 is as follows:

Monday 15 th July	Tuesday 16 th July	Wednesday 17 th July	Thursday 18 th July	
SMSC: Futures Day	Sussex University or Plumpton College or Work experience or In school activities	Sports Day	Team Dynamics	Thorpe park 6.45am
			Eco challenge competition	

Uniform does not need to be worn during Curriculum Enhancement Week, though of course school PE kit will be needed for Sports Day on Wednesday. Students will need a **waterproof coat** if it looks like rain and in good weather **suncream**.

Students will need to arrive at school each day as normal unless they are going to Thorpe Park then students will need to be at school for **6.45am** as the transport will need to leave at **7.00am** and will return between **6.00pm–7.00pm** depending upon traffic.

On Monday students will be taking part in a Futures Day, topics covered will include

- developing your personal 'brand'
- filling in job applications and personal statements
- interview skills
- CV building
- group problem solving tasks

These are areas where employers regularly say young people are under-prepared, and we feel this day, delivered by a company we have experience with, will be very useful for the students. Students will also need to be in clothing for sports activities in the afternoon.

The Friday will be a normal teaching day but students **will not** have to wear school uniform on this day.

Yours sincerely

Mrs M Tingley
Leader of Year 10
