January 2018

Dear Parent/Carer

Year 10 Food Preparation and Nutrition

In order to help your child’s theory knowledge and aid revision for the course we recommend purchasing the Collins AQA Food Preparation and Nutrition Revision Guide.

This guide retails at £10.99 but we can purchase it for £4. If you would like to purchase the guide please ensure that £4 is paid to the finance office via cash or online payment by Friday 19th January.

No subsequent orders will be made after this date. If you would like to purchase a guide at this price please ensure the payments are received by the deadline.

Yours sincerely

Miss V Owens
Teacher of Food Technology
