September 2014

Dear Parent/Carer

Year 10 HSC Btec Certificate

Your daughter has now completed several units of work for this course and has produced some very pleasing work. I would like to make you aware of several important points:

- We are preparing for an end of module exam. In order to gain the qualification, it is necessary to pass the exam. The exam will take place in May 2015. There will be a mock in January 2015 and revision sessions leading up to the exam.
- The exam studies Human Lifespan Development. This involves looking at physical, intellectual, emotional and social development in different life stages.

As part of the course, I have arranged for a visiting speaker from a local nursery and childcare centre. This will be followed up by the students visiting the nursery in groups for a morning to observe and complete some study tasks that are directly related to the exam. Your daughter will be allocated a date to visit from one of the following dates from 8.45am-12.30pm:

Thursday 18th September, Thursday 25th September, Thursday 2nd October,
Thursday 9th October.

Mrs Rowlingson or I will take and return your daughter to school in the school minibus and will be with your daughter throughout the visit. Please note that full school uniform must be worn and that normal school rules apply.

There is no charge for this visit but a consent form is required. Please note, we cannot take your daughter without this form. I would be grateful if you could fill out all the details on this form and return it to Mrs Rowlingson or me.

Yours sincerely

Mrs H Valentine
Head of Health and Social Care
