Dear Families

## IMPORTANT INFORMATION – Year 10 & 11 Tetanus/Diphtheria/Polio (Td/IPV) and Meningitis ACWY (MenACWY) vaccinations – Thursday 20 April 2023

The Immunisation Service are coming into school on Thursday 20 April 2023.

They will be offering Year 9 students the Tetanus/Diphtheria/Polio (Td/IPV) and Meningitis ACWY (MenACWY) vaccinations.

In addition to this, if you have previously submitted a Td/IPV and MenACWY consent form for a student in **year 10 or 11**, who has not yet received these vaccinations, they may be offered their outstanding vaccinations. During the upcoming Td/IPV and MenACWY session at school.

If you have not previously submitted a consent form for the Td/IPV and MenACWY vaccinations, but you would like your child to receive these vaccinations, please request further information from Mrs S Hill, Welfare Officer at [shill@sackvilleschool.org.uk](mailto:shill@sackvilleschool.org.uk).

If you consented for your child to receiving these vaccinations at a different school and they are still outstanding, please contact your local immunisation team on 01273 696011 Ext. 2043, so that they can update your child's consent form.

If a student presents themselves to the immunisation team during the school session and records indicate that they are outstanding any of these vaccinations, the immunisation team may offer them the opportunity to consent to these themselves. This would be following an assessment of their competence and understanding of what is involved with the vaccination(s). The immunisation team will attempt to contact parents in the first instance.

**Speak to a member of the Immunisation Service by calling your local team on 01273 696011**
