Dear Parent/Carer

Year 11 Food Preparation and Nutrition

In order to help your child’s theory knowledge and aid revision for the course, we recommend purchasing the Collins AQA Food Preparation and Nutrition Revision Guide.

This guide retails at £10.99 but we can purchase it for £4. If you would like to purchase the guide please ensure that £4 is paid to the finance office via cash or online payment by **Friday 24th November**.

The order will be placed on Monday 27th November and no subsequent orders will be made after this date. If you would like to purchase a guide at this price please ensure payment is received by the deadline.

Yours sincerely
