September 2015

Dear Parent/Carer

Year 11 Btec Award: Health and Social Care

As part of our assessment for the Health and Social Care Btec, we will be taking our Health and Social Care groups to Standen National Trust property. The visit will take place on Wednesday 7th October 2015. We will leave school promptly at 12.50pm and return by 2.50pm.

This visit forms part of the Btec coursework assessment. Attendance is therefore obligatory. The assessment states that students must complete a risk assessment for a trip to a tourist venue with a group of disabled young people. The purpose of the visit is to examine how the venue has been adapted for disabled people and complete a questionnaire on this topic. I have arranged for the Property Operations Manager to hold a question and answer session with the students. They will be expected to make notes on the visit. On their return, they will use their notes and questionnaire to write a short report on the adapting of facilities and environments for the disabled young people. The Standen Manager will then visit us at Sackville in lesson time and students will present their report to her.

The visit will take place within the school day and there will be no charge for the visit. Students are expected to wear school uniform and bring with them their Health and Social care folder, a pen and paper. I will be accompanying them with another member of staff. Transport will be by school minibus.

We will use the emergency contact details we have on our database for your child for this trip. If however, the contact details will be different for the duration of this trip, please fill in the details below.

Please do not hesitate to contact me, should you need further information or wish to discuss anything further (hvalentine@wsqfl.org.uk)

Yours sincerely

Mrs H Valentine
Head of Health and Social Care
