

May 2022

Dear Parent/Carer

Maths GCSE Revision Day

On **Monday 30th May 2022** there will be a revision day for students to prepare for the mathematics GCSE exam. There will be 4 sessions which will run from 9.00am to 11.00am or from 11.20am to 1.20pm with each session focussed on particular grades.

The session will include working through questions in past papers with a focus on those topics which most frequently cause problems. There will also be an opportunity to go through any topics raised by students on the day that have arisen from revision.

Please complete the google form [here](#) by **Monday 23rd May 2022** as there will only be limited spaces on the revision day, therefore, should the sessions become oversubscribed we will complete a ballot to allocate places in a fair manner.

If you have any questions please email khowell@sackvilleschool.org.uk

Yours sincerely

Mrs K Howell
Leader of KS4 Mathematics
