December 2019

Dear Parent/Carer

Year 11 Parents' Revision Evening: How you can support your child in preparation for their GCSE Examinations
Wednesday 15th January 2020 from 5.00pm – 6.30pm

This summer's GCSE exams will be the final culmination of your child's formal schooling. These exams are very important as they form the platform for your child's future. How your child approaches the next few months will be crucial to their success this summer. It is likely to be for them, and for you, a very pressured and stressful period.

With this in mind and following on from their December mock exams, we would like to invite you to a Preparing for Exams Evening for parents. The aim of the evening will be to answer any questions you have regarding the exams, as well as providing you with an idea of what your child should be doing in the lead up to the exams, and how you can support them over this period. During the evening there will be short presentations from the Heads of English, Maths and Science.

In order to make this a productive evening please help by writing down the three most pressing questions you have about the summer GCSE examinations. We hope that you will be able to attend the evening and please could you return the slip attached by Friday 10th January 2020.

Yours sincerely

Mr D Hayden
Assistant Headteacher
