

13 November 2024

Dear Families

The year 11 performing arts and dance students are currently working on *Component 2: Developing skills and techniques for performance*. Component 2 consists of both practical and written work. This unit of work is a controlled assessment worth **30% of their final grade**.

To be able to complete their practical performances students will be off timetable at the following times:

Tuesday 26 November 2024 - Rehearsal time: Students will be off timetable for lesson 3&4 to rehearse and prepare.

Thursday 28 November 2024 - Performance day: Students will be off timetable all day in either P01 or P02.

After the students have finished their practical work they will then focus on completing an evaluation of their performance and improving their written work. The final deadline for submitting all work so that it can be marked and sent to the exam board is **Thursday 5 December 2024**.

If you have any questions about the exam or the course please do not hesitate to contact us.

Yours sincerely

Holly Whitmore Hannah Nibloe
