Year 11 Farewell from the PE Department

Dear Families

I would like to take this opportunity to thank the Year 11's for their efforts and energy towards the PE department over the past 5 years.

Whether through their continued participation in core PE lessons, their commitment to the extra-curricular activities and fixtures or through putting their minds to a qualification course within the PE department we are so grateful.

As the year group looks forward to the next stage of their education journey, I was hoping for one last effort from them and you. If you have any Sackville PE kit that you no longer require, would you be kind enough to send it into school so that we can utilise it for any of our younger students who may well be struggling to fulfil all of the kit requirements.

Any help you can provide with the following items would be gratefully received:

- Rugby Shirts
- Polo Shirts - Boys and Girls
- Shorts
- Football boots - Any sizes but larger ones if possible

We look forward to continuing working with those students who will be returning to Sackville in September.

Yours sincerely

Jake Endersby
Teacher of PE
