16th September 2021

Dear Parent/Carer

A Level Further Maths – Purchase of Resources

As you are aware your child has opted to take a two year A Level further maths course. As a result they are required to purchase resources for the course.

There are 8 textbooks that are required for the course as follows:

- Pure Mathematics 1 *
- Statistics and Mechanics 1 *
- Pure Mathematics 2 *
- Statistics and Mechanics 2 *
- Core Pure Mathematics 1
- Core Pure Mathematics 2
- Further Statistics 1
- Further Mechanics 1

The first four books as indicated by an asterisk will be issued in September 2021, and we would appreciate online payment via Scopay by Friday 1st October. The total cost of purchasing the first four books is £64.00.

You will be notified by letter when the next books need to be purchased.

There is also a requirement for students to purchase a calculator that has been recommended by the exam board Edexcel. There is a choice of two suitable calculators:

- (i) Casio Fx-991EX - an advanced scientific calculator to meet the demands of the new A Level course at £20.00
- (ii) Casio FX9750G II Plus at £50.00

Again, these purchases should be made online using Scopay.

If you are entitled to a bursary, we will reimburse you the full cost of these resources.

Yours sincerely

Mr S Rahim
Curriculum Leader of Mathematics
