Dear Parent/Carer

A Level Maths Course – Purchase of Resources

As you are aware your child has opted to take a two year A level maths course. As a result they are required to purchase resources for the course.

There are four textbooks that are required. In the first year the textbooks are as follows:

- Year 1 Pure Mathematics
- Year 1 Statistics and Mechanics

In the second year the textbooks books are as follows:

- Year 2 Pure Mathematics
- Year 2 Statistics and Mechanics

The total cost of purchasing the first two books is £36.00 and we would appreciate online payment via Scopay by Friday 1st October at the latest.

The year 2 books can be purchased after Easter and a letter will follow with details on how to purchase these.

There is also a requirement for students to purchase a calculator that has been recommended by the exam board, Edexcel. There are two calculators recommended by Edexcel but the calculator we recommend is the Casio Fx-991EX Classwiz, which is an advanced scientific calculator to meet the demands of the A level course at a cost of £20.00.

If you are entitled to a bursary, we will reimburse you the full cost of these resources.

All purchases/payments should be made online.

Yours sincerely

Mr S Rahim
Curriculum Leader of Mathematics
