March 2017

Dear Parent/Carer

Vocational Visit to Hamburg and Berlin, Germany: 13th – 17th January 2018

Many year 11 students are already aware of the successful and dynamic 5 day intensive study visit we run annually to our partner higher education college in Hamburg, Germany for students of vocational subjects and languages. This includes business studies, economics, health and social care or German students in year 12. The itinerary involves visits and activities relevant to the specific AS courses and is constructed around the study needs of students. The students will all travel and stay together and be joined by a small number of year 13 students who are completing vocational work experience abroad.

Students will spend time looking at Hamburg's industry and will have a detailed visit to Hamburg's 'Airbus' plant and Holsten brewery. Students will be expected to observe and find out about work practices. Time will also be spent in the college. We have a long established partnership with the Hamburg Business College and very strong vocational links. The college has been rebuilt in the past year and now has stunning new buildings and facilities, with a large nursery unit on site. Students will visit and have the use of these upgraded facilities and classrooms to do follow up work and work related to our AS/BTEC syllabuses, as well as opportunities to socialise and meet with German business studies students. We will also arrange a structured sightseeing tour of Hamburg.

We have a long and full day trip to Berlin planned with transport via Inter City train. We visit the main historical sites such as the holocaust memorial site and the Brandenburg Gate, and have a guided visit around the DDR Museum, as well as a tour of the new Reichstag building which offers stunning panoramic views of Berlin from the famous dome at the top of the building. Tasks will be given to students that are specifically related to the AS specification. All activities on this visit are aimed at broadening horizons, enhancing UCAS applications and offering future work experience opportunities abroad in year 13 if desired.

Accommodation

We have booked a hotel in the regenerated harbour area of the city. This is a change from our usual hotel as it offers a higher standard of security and a better quality of accommodation. The hotel is part of a chain and can be viewed online at this address: <https://www.meininger-hotels.com/de/hotels/hamburg/> **MEININGER Hotel Hamburg City Centre**, Goetheallee 11, 22765 Hamburg Tel: +49 (0) 40 2846 4388

Travel and payment details
