

17 October 2022

Dear Parent/Carer

Year 12 Maths Textbooks and Calculator

As you are aware your child has opted to take a two year A level maths course. As a result, they are required to purchase resources for the course.

There are two textbooks that are required in the first year:

- Year 1 Pure Mathematics
- Year 1 Statistics and Mechanics

In the second year the textbooks books are:

- Year 2 Pure Mathematics
- Year 2 Statistics and Mechanics

The cost of purchasing the first two books is **£28.00** and payment can be made via [Scopay](#) by Tuesday 1 November 2022.

There is also a requirement for students to purchase a calculator that has been recommended by the exam board Edexcel. There are two calculators available from Edexcel, but the calculator we recommend is the Casio Fx-991EX at a cost of **£20.00**. This is an advanced scientific calculator to meet the demands of the A level course. Payment for the calculator can also be paid via Scopay.

The Year 2 books can be purchased after Easter and a letter will follow with details on how to purchase them.

Please remember that if your child is eligible for the 16-19 bursary we can use that to pay for the full cost. Please contact the sixth form for more details.

If you have any questions, please contact me at iwhite@sackvilleschool.org.uk.

Yours sincerely

Mr I White

Curriculum Team Leader of Mathematics
