Dear Parent/Carer

## Taster Day at Chichester University

We have been invited to attend a taster day at Chichester University on **Wednesday 18<sup>th</sup> May 2022**. The course runs from 9.30am to 3.30pm and we will travel by minibus, leaving school at 7.45am and returning at approximately 5.00pm.

The day aims to give students an opportunity to experience the courses offered by The Institute of Sport, Nursing and Allied Health through fun and interactive taster day sessions. They will provide a variety of sessions across a range of sport, nursing and allied health. All sessions will be led by the university staff and the student ambassadors will also lead campus tours exploring the labs, sports facilities, health facilities and teaching spaces. Your child should bring a drink and a packed lunch or money to purchase refreshments.

The students will then finish the day with a session looking at what university admissions tutors will be looking for in their UCAS personal statements.

Some of the content delivered throughout the day will support the students studies within physical education, however they will be missing a whole day of school and will therefore need to ensure that they catch up on any work missed. If they have an external exam in the near future, then we are not recommending that they attend.

The minibus we will be using to travel to Chichester University will only seat 15 students. In the event that this trip should become oversubscribed we will complete a ballot to allocate places in a fair manner.

If you wish your child to attend the taster day then please could you complete the consent form [here](#) by **Thursday 12<sup>th</sup> May 2022**.

Insurance for all school trips is arranged through West Sussex County Council. Full details of the policy can be found on our website at <https://sackville.w-sussex.sch.uk/parents/school-trip-insurance/>. **Peanuts or peanut related products are not allowed to be taken on any school visit.**
