16 November 2022

Dear Parent/Carer and Student

Year 12 Sixth Form Meeting: Information, Updates and Meet Student's Form Tutor Event
The academic year is now in full swing and it has been great to welcome the new year 12 cohort into the sixth form. They have started really well and it has been a pleasure to get to know them all over the last 10 weeks. As part of their start to life in sixth form, I am delighted to invite you to a Sixth Form Information Evening in the main hall on Thursday 1 December between 5.00 pm and 6.00 pm .

Understandably, throughout this term I have received some queries about Sixth Form life and the structure of the week for students. These issues will all be fully addressed at the event. The form tutors will also be present, and we would encourage you to all speak individually with your child's tutor as part of the evening. They are a key part of your child's journey in the Sixth Form and building that relationship is key.

There will be a series of short sessions from different members of the sixth form leadership team covering a selection of the following topics:

- Attendance - monitoring, systems and supervised study periods
- Year 12 exam dates and notification other futures events in sixth form
- Safeguarding in the sixth form - a range of issues including our home/school agreement and antidrugs and smoking policy

As you are all too well aware, students can sometimes give you minimal information about school life in the sixth form. We would like to take this opportunity to urge you to attend so you can help ensure your child maximises all opportunities the sixth form can provide. We would encourage all students to attend with you to access the information too.

Please could you indicate your intention to attend using the form here by Tuesday 29 November.

I look forward to seeing you all then.

Yours sincerely

Mrs H Valentine
Leader of Sixth Form
