Dear Parent/Carer

**University of Ulster, Northern Ireland:
Open Day Visit Wednesday 8th November 2017**

I would like to inform you of this free and exciting opportunity that is being offered to your child and encourage him/her to participate.

The University of Ulster in Northern Ireland is hosting an Open Day specifically for prospective students of scientific subjects such as Pharmacy, Optometry, Biomedical Sciences, Biology and Stratified Medicine. This will be held on the Coleraine campus, north of Belfast.

Students will be given a tour of the university and an insight into life as a student in Northern Ireland. They will meet course tutors, attend meetings about specific courses – which they will book onto in advance when they receive a programme for the day – and have the opportunity to discuss with course leaders the course content in detail as well as the types of offers students can expect. A member of staff from Sackville will accompany students.
